Characteristic chalet for rent in Gerola Alta, called "Petite", situated in a splendid panoramic position a few steps from the centre of the village. Immersed in a naturalistic context of great value, this solution is perfect for those seeking relaxation, nature and tranquillity in every season of the year. The property, arranged on several levels, is composed as follows: First floor: independent entrance through private terrace/garden leading to a cosy living room with open kitchen, fully equipped and featuring a wood stove, ideal for creating a warm and cosy atmosphere. The living room leads to the panoramic mezzanine via a charming wooden staircase: a versatile room, perfect as a relaxation area or as a second bedroom with two beds. Ground floor: Spacious double bedroom with direct access to the garden, bathroom with shower and practical multipurpose room, ideal as laundry or storage for sports equipment. The chalet is surrounded by a large private green area, with parking facilities. Independent heating with heat pump guarantees comfort all year round. Equipped with Wi-Fi connection, the chalet is also the perfect solution for those who wish to combine nature and work, thanks to the possibility of smart working in the mountains. A strategic position for lovers of outdoor activities, with numerous hiking trails and the proximity to the Pescegallo ski facilities, located just a few kilometres away. Gerola Alta is a charming mountain village located at an altitude of 1,050 metres, immersed in the unspoilt nature of Val Gerola. From the centre of Gerola Alta it is possible to reach various places of interest in Valtellina and Lombardy in a short time. Morbegno can be reached in 15-20 minutes by car. Sondrio, the provincial capital, in 45-50 minutes. Bormio, a famous spa and ski resort, takes about 1 hour and 45 minutes, Livigno, known for duty-free shopping and outdoor activities in all seasons, can be reached in about 2½ hours. Finally, from Gerola Alta to Milan it takes about 1 hour and 45 minutes by car to drive the 120 km that separate the city from the mountain. Want more information?
