VALTELLINA: Ref. Detached chalets with land in Sondalo SO1714AZA - La Baita Case In Sondalo, in the Doss area, at an altitude of approximately 1,360 metres, we are offering for sale a charming property comprising two detached chalets, measuring 113 square metres and 26 square metres respectively, connected by an underground staircase. The main chalet is spread over several levels. On the ground floor there is a living room, a bathroom and two rooms; the first floor features a spacious living room with a fireplace, the kitchen and a second bathroom. An internal staircase leads to the top floor, where there is a large attic bedroom with a double bed. The second chalet, which is smaller in size, comprises a kitchen-diner and is connected internally, via an underground staircase, to the ground floor of the main chalet. The property is complemented by 2420 square metres of private land and a large terrace situated between the two buildings, ideal as an outdoor living space during the warmer months. The chalets have been completely refurbished, although they have been unoccupied for several years. They have a working electrical system with a meter and a mains water supply, whilst heating is provided by the fireplaces. Access to the property is typical of mountainous terrain: the final stretch of road is particularly steep and includes a narrow section. For this reason, the property can only be reached by small vehicles suitable for the route, such as a Panda 4x4 or a quad bike. An ideal option for those seeking a detached property nestled in the mountains, with ample outdoor space and two already-renovated buildings, in a peaceful and secluded setting. The current asking price is Eu.119,550, with the option to tailor the purchase to suit your needs (deposits, instalments, payment terms, etc.). Would you like more information? Contact us; we'll be delighted to help you choose your ideal home. Experience the mountains! +39 331 2531048 - Website: www.labaitacase.com - Email: info@labaitacase.com
