We are offering for sale a portion of a detached house located in a quiet residential area, just 15 minutes from Morbegno, in the heart of the lower Valtellina, on the Orobic side. The village of Selvetta is about 4 km from the centre of Colorina and is easily accessible all year round. The property, measuring 103 square metres in total, is spread over three floors plus the attic: Ground floor: cosy living area with living room-kitchen, featuring wood panelling in typical mountain style and heated by a wood-burning stove. The kitchen area also leads outside. Please note that the owners will not leave the television or dehumidifier. First floor: furnished double bedroom, bathroom with window, bathtub and washing machine, as well as a small panoramic terrace with views of the surrounding mountains. The white chest of drawers, two-door wardrobe and tall bathroom cabinet will be removed and therefore will not be included with the property. Second floor: second double bedroom with access to a storage room, currently used as a single bedroom. The following items will not be included with the property: the white chest of drawers in the bedroom and the brown cabinet on the stairs. Attic: recently renovated, with exposed beams that give warmth and character to the room. The property is completed by a cellar on the ground floor. Heating is independent via a wood-burning stove, with an electric boiler for hot water. The property is sold semi-furnished. Energy class: G. The location is ideal for those seeking tranquillity without sacrificing amenities: bars, restaurants, trattorias and grocery stores are nearby, while the main municipal services are available in the centre of Colorina.
